

WISH LIST

Balance Beam

This will be used by the children to develop correct movement. It develops balance, motor skills, and coordinated movement of the body.

Bells

Link: <http://www.infomontessori.com/sensorial/auditory-sense-bells.htm>

Wooden Perpetual Calendar

To be used in the classroom to learn dates, months, days of the week, seasons, etc. The simpler the better.

Set of Encyclopedias

To be used in the classroom for research.

Simple Working Typewriter

Looking for a typewriter to teach typing. We would like to use a type writer rather than a computer to keep kids away from the screen. We are looking for a typewriter that is easy to replace the ink ribbons.

88-key Keyboards (4 of them

Piano practice at school! Does not need features. All it needs is a piano sound, headphone jack, and be easy to move (in and out of a closet). Also needs stands, seats, and headphones for each keyboard.

Items from “For Small Hands”

The For Small Hands catalogs were recently sent home and a copy is available at the school lobby. The catalog is filled with “hundreds of age-appropriate, child-size items that encourage independence, creativity, and problem-solving.” These items are wonderful compliments to the standard Montessori classroom materials and support the Montessori philosophy. If you’re in the market for gifts (birthdays, Christmas, baby showers) I hope you’ll take advantage of these unique quality items. Plus, with every individual order over \$25 purchased the school earns free supplies and materials.
